The Town Hall Hotel has a rich history in Newtown. Established in 1878, the Townie has since that time held a special place in the hearts of both our local community and our visiting guests. Many a lifelong friendship has grown and developed within these walls over the decades. The Townie is the alternative to the alternative, a melting pot of interesting sub cultures and counter cultures. So no matter who you are or where you're from, if you are passing by Newtown, come in, say hello and enjoy the best we have to offer.

We are open from 10am until late most nights and until 5am on weekends. We serve lunch & dinner daily from our very own food truck – Don Rodneys. The Street Bar hosts live original bands from 10pm every Friday & Saturday and laid back DJ chill on Sundays.
